Sir,

With reference to your D O No L 1554 dated 31-8-45, I have the honour to state that I interviewed the Minister for Agriculture in this connection The appointment of Mr B N Manjareddy as Manager, Sewage Farm, came up for consideration on the recommendation to Government by the President, City Municipal Council, Mysore, and I was asked by the Secretary, Law Department, in his letter No L 11426 dated 25-5-45, whether the services of the Agricultural Inspector could be spared In my letter No Est 671-1264/44-45 dated 30-5-45, a reply was sent by me that his services could be spared

Regarding the experience of Mr. B N Manjareddy in sewage disposal, I wish to state that he has none, and his experience in compost manufacture is just that of any Agricultural Inspector, who has worked on a Farm The Agricultural Chemist who was consulted in this matter has recommended the names of Mr D Narasinga Rao, B Sc , and Mr K Basavaraj Urs, two Agricultural Inspectors of this Department, as suitable for the post of the Manager, Sewage Farm

In my opinion, of the two, Mr Basavaraj Urs, who has good experience in the management of the Hessarghatta Grass Farm and has since reverted to this Department, as the Manager, Nagenahalli Farm, will be found suitable as Manager, Sewage Farm, involving management on a large scale His present pay is Rs 70/-
